

THE PLACEMENT CELL
DEPARTMENT OF MATHEMATICS
UNIVERSITY OF DELHI
ANNUAL REPORT 2018-19

The Placement Cell started functioning with a very clear objective of ensuring a higher placement record and better reach to the students. The placement season for the batch 2018-2019 touched new heights surpassing the expectations and previous records with 20% increase in the total number of job offers.

The cell has organized several activities to enhance the employability and facilitate employment opportunities for the students enrolled in the department.

Recruiters from various sectors such as Consulting, Marketing, Investment Banking and Education visited the campus this year. Companies offering regular jobs as well as paid and unpaid internships were in bountiful this year. Students secured job opportunities in the corporate such as Ernest and Young, Moody's Analytics, Bridgei2i, PwC, Cholamandalam etc. The average package offered to the students this year was 6.5 LPA while the highest package offered was 11.75 LPA and around 40% of the total number of registered students were placed.

The Placement Cell also maintained a constant contact with the students through WhatsApp groups, Facebook and notified students about the company visits through mails thereby encouraging them to apply for the recruitment process.

The Placement Cell stood committed towards getting best possible opportunities for its students by providing them with a thriving platform and the best exposure.

“All of us do not have equal talent. But, all of us have an equal opportunity to develop our talent.”

- DR. APJ ABDUL KALAM
