## NOTICE

Dated: 1<sup>st</sup> July, 2022

### **Notice Regarding Registration Process For The Academic Year 2022-23**

This is to inform all the students that the placements for the session 2022-23 will be commencing soon. Only students who are in the first year of M.Sc. Mathematics (as of 20.07.2022) can register for the placements. It is mandatory to register with the Placement Cell to be able to sit for any placement process. All the students have to pay a one-time registration fee of ₹500 before filling the registration form. The fee is non-refundable and will be collected through online mode only, details of which is given below:

**Google Pay/ Paytm Contact No:** 8744044822

Once the payment has been made, a screenshot of the same needs to be attached in the registration form.

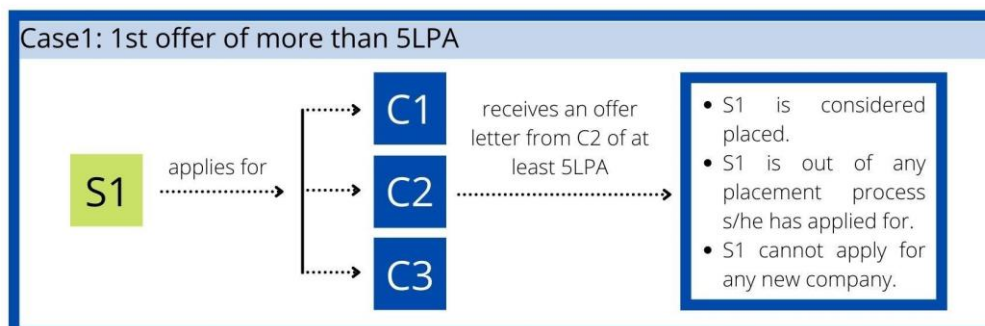

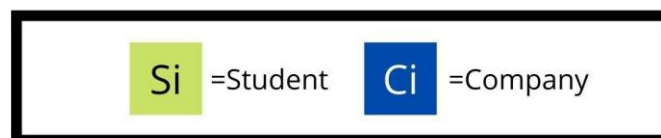

Please go through the guidelines (given below) for the placement process before registering. Interested students can register with the Placement Cell by filling up the Google form (attached after the guidelines) by **20<sup>th</sup> July 2022, 11:59 pm**. Your registration will be accepted only after the payment has been made.

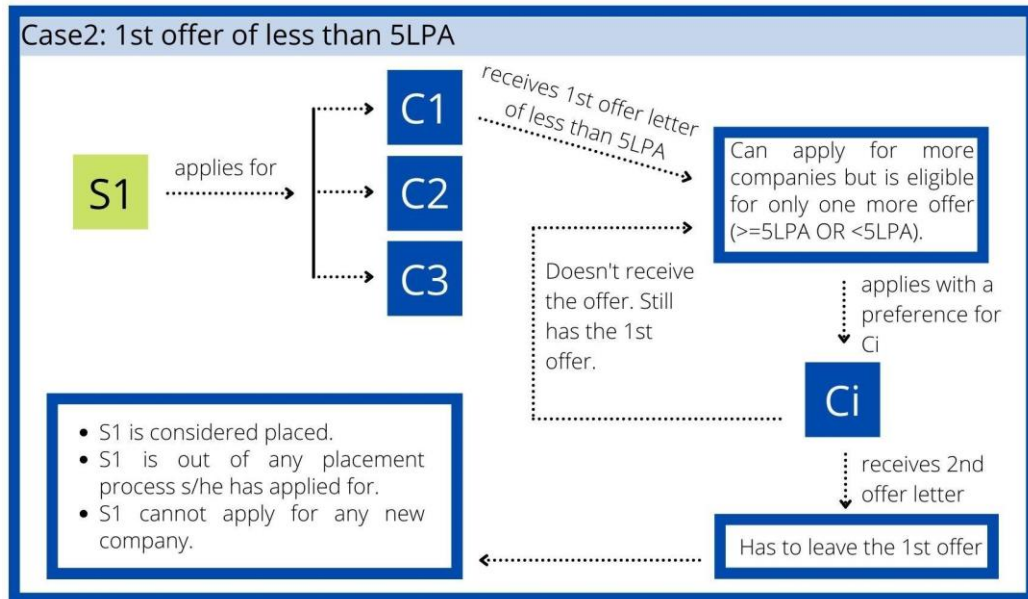

#### **General Guidelines For The Placement Process**

1. Only students who are in the **first year of M.Sc. Mathematics (as of 20.07.2022)** can register.
2. Registration is **mandatory** to be able to sit for the placement process in the forthcoming session and the form will only be opened **once**.
3. The **registration fee** is ₹500 which is non-refundable and will be collected only once during the initial registration through online mode only.

4. The Placement Cell serves to act as an interface between the industry and the students. **It does not guarantee a job.**
5. All the details regarding the placement process will be provided to registered candidates via **email only.**
6. For every company visiting the campus, interested students have to register for it specifically. No amount will be charged for company registration.
7. Students are responsible to check/meet all eligibility criteria which might be required at the time of joining (academic, medical, etc.) for the opportunity s/he is applying for.
8. **There might be some processes for which all registered candidates will have to apply mandatorily.**
9. The registration fee will be refunded to all **unplaced** and **non-blacklisted** students at the end of the session.
10. Once you fill the form, it will be treated as your expression of consent to follow all the rules laid down in this notice. Any violation would lead to a penalty as mentioned in the rules.
11. The members of the Placement Cell can take up to two offers,
12. Once a student is selected by a company, and is offered an initial package greater than or equal to 5 LPA (Lakh per Annum), s/he won't be allowed to sit for any further placement process. However, on receiving a package of less than 5 LPA, the student can apply for other companies. Consider the schema below:

## Process Schema

- Students are advised to thoroughly check the profile and background of each company and make informed decisions before applying to any company participating in campus placements.
- Students participating in placement activities must keep their **Identity cards, 2 passport size photos and all the academic and extra-curricular certificates** handy at the time of PPT/Test/Group Discussions/ Interviews etc. and produce the same when asked by the visiting company.

### Dress Code

- The dress code is strictly **western formals** for all the candidates sitting in the placement process.

### Blacklisting Criteria

A **Blacklisted student** cannot sit for any on-campus placement process.

All registered members are allowed a **maximum of 2 strikes**. The second strike implies that the candidate is **blacklisted** and out of the placement process entirely. The Strike System will be used for on-campus, virtual and off-campus procedures.

## Criteria For Striking:

Non-compliance with the following regulations will result in **one strike**.

1. **Failure to attend/join a Pre-Placement Talk after registering** for a company/organization (without notifying the Ananya Placement Cell via mail 24 hours in advance with a valid reason) or leaving in between the pre-placement talk/meeting without notifying the executives in charge of the company/organization with a valid reason. Failure to do so will result in a strike and registered members will not be allowed to apply for the said company/organization.
2. **Failing to submit an assignment or neglecting to notify** the Ananya Placement Cell via email 24 hours in advance with a valid reason for missing a test, interview, or GD.
3. **Rejecting an offer** must be done in accordance with any company/organization guidelines; failure to do so will result in a strike. The student must contact the company/organization announcing the rejection, with **Ananya Placement Cell copied on the correspondence**.
4. Any **misbehavior with organization professionals or the placement committee** during the placement process will result in the student's **immediate expulsion** from the placement process.

## Note:

1. The strike system applies to all processes, even if it is not indicated in the newsletter/update emails.
2. On the accumulation of two strikes, a student shall be considered blacklisted, which means a student will no longer be able to apply to any placement process.
3. Entering/joining in the pre-placement talks/recruitment process later than 20 minutes from the scheduled time is prohibited under all circumstances.
4. If the **information provided by the student** during registration is determined to be **fraudulent**, it will lead to direct **blacklisting**.
